+91 7695890189 kannan8763@gmail.com Krishnakumar Krishnan045 My Portfolio

SKILLS

Programming: Java, JavaScript
Frontend: HTML, CSS, JavaScript
Backend: JSP, Servlets, JDBC, Java, Spring Boot
Database: MySQL
Core Concepts: Object-Oriented Programming, Collections Framework, Exception Handling, Multithreading, DBMS

PROJECTS

Fashion Web **August 2026 – September 2026**

Technologies: HTML, CSS, JavaScript, Java, JDBC, MySQL, JSP, Apache Tomcat, Maven, Eclipse 2025

- Developed a responsive e-commerce application featuring customer registration, login, product browsing, product details, and shopping cart functionality.
- Implemented backend operations using **Java Servlets and JDBC**, integrating a **MySQL** database for application data management.
- Designed an end-to-end shopping workflow covering product selection, cart management, checkout, and order confirmation using JSP and frontend technologies.

Zing Bites **September 2026 – Present**

Technologies: HTML, CSS, JavaScript, Java, JDBC, MySQL, JSP, Apache Tomcat, Maven, Eclipse 2025

- Developed a responsive food ordering web application enabling customers to browse food items and place orders online.
- Implemented customer registration, login authentication, food menu management, and shopping cart functionality with **MySQL** database integration.
- Developed order processing and admin management modules using **Java Servlets and JDBC** to support order management and data handling.

EXPERIENCE

Full Stack Developer Intern – TAP Academy **June 2026 – Present**

- Developing dynamic web applications using HTML, CSS, JavaScript, Java, and JSP, focusing on responsive interfaces and functional web application features.
- Implementing backend operations using Java and JDBC, integrating MySQL databases.
- Working with Apache Tomcat, Maven, and Eclipse IDE to configure.

Full Stack Developer Intern – Skiez Technologies, Chengalpattu **July 2025 – August 2025**

- Explored web development fundamentals using HTML, CSS, and JavaScript, creating structured web pages with responsive layouts and user-friendly interfaces.
- Implemented basic frontend components and styling techniques.
- Worked on practical website development tasks, gaining exposure.

ACHIEVEMENTS

- **Coding Practice:** Solved **300+ programming problems** through the TAI Portal provided by TAP Academy, strengthening Java programming and problem-solving skills.
- **Technical Participation:** Participated in a college-level technical event and presented an academic project.
- **Academic Achievement:** Maintained a **CGPA of 8.0+** in B.E. Computer Science and Engineering.
- **Certifications:** Java Programming Course – GeeksforGeeks; Full Stack Developer Internship – Skiez Technologies.

EDUCATION

B.E. Computer Science and Engineering **2022 – 2026**
Loyola Institute of Technology, Chennai, Tamil Nadu
Anna University (CGPA: **8.**)

Higher Secondary Certificate (HSC) – Computer Science **2021 – 2022**
Sri Venkata Krishna Higher Secondary School, Kaniyur, Tiruppur, Tamil Nadu
Tamil Nadu State Board (Percentage: **72.33%**)
